WE CAN HELP YOU CHOOSE THE RIGHT FALL PROTECTION FOR YOUR TOOLS.

UniTech Services Group has partnered with 3M to introduce a line of of drop protection products that make work environments safer and more productive. These products drastically reducing falling object incidents that result in personal injury, equipment damage, and tool loss. Our drop prevention solutions are designed with the craft in mind, and are third-party tested in the harshest possible conditions.

Nowhere is Ben Franklin's quote "An ounce of prevention is worth a pound of cure" more true than in critical Foreign Material Exclusion (FME) areas. The Python Drop Protection line is an excellent solution for your FME requirements. In addition to these featured products, a complete line of Drop Protection products are available to meet most any need.
