A Clean & Organized Workplace

It's more important than ever.

Aid in improving organization, hygiene and cleanliness in the workplace with 5S Shadow Boards, Sanitation Stations, and more from National Marker Company.

Businesses thrive in an organized and clean atmosphere. Products like shadow boards serve as an excellent way to drive visual organization, and the tools they support drive hygiene and workplace cleanliness where it matters most. Support an orderly, visual workplace where standardized procedures improve productivity, quality, safety, and culture.

Hygiene matters like never before. While shadow boards can help drive workplace cleanliness and organization, our Wellness & Sanitation Stations help drive an increase in compliance with state or facility mandated guidelines for hygiene.

Benefits of a Clean Workplace

- Drive workplace organization
- Improve employee morale and job satisfaction
- Increase productivity and efficiency
- Improve facility and workplace hygiene and cleanliness
- Produce documentable cost-savings

Why NMC?

- Materials engineered for the moment and the environment
- Robust stock options on the proceeding pages
- Full custom capabilities, built to your specifications

A place for everything...
and everything in its *clean* place!

4 Steps to Building Your Custom Shadow Board

Step 1

Choose Your Material

General Purpose Composite

Industrial Grade Aluminum

Pro Series™ Acrylic

Step 2

Measure

Measure the space where your shadow board will hang. Or let us know if your board will need to be mounted to a mobile cart.

Step 3

Tell Us About Your Tools

Option 1

Take a clear, straight on picture of each tool next to a ruler. Provide us with a general overview of the estimated size of the board need.

Kobalt 3-Blade Utility Knife
Item # 365654 Model # 55908

Option 2

Provide a list of tools along with their manufacturer, part # and description.

Step 4

Provide us with:

Your Logo

high res/vector art

Your Colors

background, shadow, font colors

Your Message

tool names, part numbers, department

Wall-Mount or Mobile Cart

Board Accessories

Customized to Your Needs

Our shadow boards are traditionally mounted three ways:

1. Directly to the wall
2. Mounted to the wall with standoffs
3. Mounted to a mobile cart

Consider mobilizing your shadow board with our mobile cart options (see page 15) or providing a finished look with stainless-steel wall-mount standoffs (below). Beyond a finished look, standoffs play a role in environments where wash-downs are the norm by allowing air-flow behind the board, enhancing dry-time and mold remediation.

Stainless Steel Standoff Kit

1" stainless steel standoff kit is a perfect all-inclusive mounting solution. The 316 marine-grade stainless steel is extremely durable and makes these standoffs an ideal solution for food, medical and other sensitive environments.

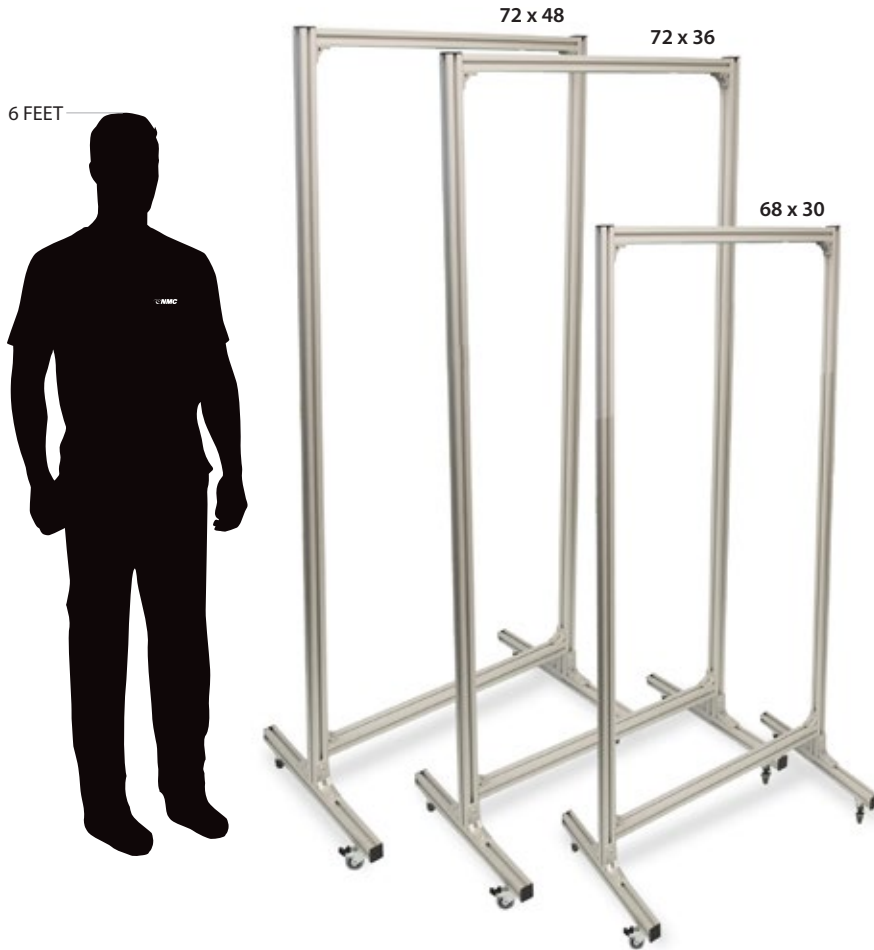

Each kit includes either 4 or 6 standoffs, all proper hardware to mount a range of material thicknesses, all-purpose wall anchors and how-to instructions.

Wellness & Sanitation Stations

Step-Up Your Workplace Illness Prevention

Benefits of a Clean Workplace

Now, more than ever, employers are expected to reinforce safe workplace hygiene standards and provide cleaning and hygienic supplies, such as masks and gloves, sanitizing products, and more. But how are these valuable resources being made accessible to employees? NMC's Workplace Wellness & Sanitation Stations* are an ideal way to increase accessibility and participation while driving illness prevention efforts.

Help your employees remain actively aware of company protocol in all areas of the facility. Wall mountable Workplace Wellness & Sanitation Stations* can be mounted directly to wall areas at high-traffic locations.

Think long-term solutions for a healthier workplace. It is now the minimum expectation.

*PPE and sanitation supplies not included.
