

# Fast, Effective Sanitizing and Disinfecting

## TACKLE LARGE MULTI-SURFACE DISINFECTING PROJECTS WITH EASE

UniTech now offers surface sanitizing and disinfecting options that allow you to tackle routine cleaning with ease. When used together, our spray systems and ready-to-use (RTU) or concentrated disinfectants are proven to eliminate up to 99.9% of sickness-causing bacteria and viruses in seconds, helping to make your facility safe for all.

### **PURELL® Surface Sanitizer and Disinfectant Sprayer System**

PURELL's battery-operated Power Sprayer allows you to quickly and easily sanitize and disinfect large surfaces. Its telescoping wand has an adjustable spray-pattern nozzle that adapts to different jobs.

Perfect for complete coverage on multiple surfaces like desktops, counters, laminates, plastics, glass, and more.

- Sprayer easily connects to gallon-bottle of PURELL disinfectant
- Safe for food-contact surfaces
- Effective against cold and flu viruses, Norovirus, and other organisms
- 32 oz. PURELL Professional Surface Disinfectant spray bottle also available (99VF)

**U-99VB** PURELL® Battery-Operated Power Sprayer

**U-99VC** PURELL® Professional Surface Disinfectant  
1 gallon (3.79 L)

### **128 E-FECTicide Concentrate and Dilution System**

A push-button wall mount dispenser or squeeze-and-pour bottle quickly and easily dilutes this high-powered, multi-purpose disinfectant cleaner concentrate to deliver maximum potency without waste and with significant cost savings when compared to RTU alternatives. Specially formulated to help prevent cross contamination, 128 E-FECTicide requires no rinsing and is ideal for use in hospitals and clinics, bathrooms and locker rooms, schools, offices, and more.

- Fast, perfect-dilution system for hospital-grade disinfectant
- EPA-approved for use on the human coronavirus that causes COVID-19
- Effective against influenza, norovirus, MRSA, e-Coli, salmonella, and other harmful pathogens

**U-99PD** 128 E-FECTicide Surface Disinfectant  
2 liters, yields 68 gal. (272 qt., 257 L)

**Also Available: Lysol Wipes (80 wipes/package) U-19A4**

**Let us help you get back to work - Safely**
