

NEW!

UniTech and Uticom Partner for Safety:

UniTech benefits from the support of strong business partners that can supplement our offerings with products and services that our customers need.

Uticom provides effective graphics for harsh environments and has worked on government and commercial projects for more than 20 years.

Pocket Sign Inserts

- Sub-surface printed on durable poly-carbonate with a 20-year warranty

RED ZONE

RADIOACTIVE MATERIALS

Illuminated ALARA Signs

- Uticom's illuminated ALARA sign features a paper-thin light bulb
- Can be set for flash, fade or static
- Signs come in kit form and can be easily changed

ELEVATED
DOSE RATE

RAM Tags

- Durable, tear-resistant plastic construction with a pull-out rating 50 times higher than traditional cardboard tags
- Surface accepts all standard writing instruments
- Bright graphics for faster awareness
- 10-year warranty against fading
- Custom tags available
- Silk screened with solvent-based, UV-resistant ink

Pocket Signs

- Nearly unbreakable polycarbonate pocket signs address typical industry problems such as excessive replacement due to fading, breaking and water absorption
- Pocket signs feature a protective posting strip to insure inserts do not fall out
- 20-year warranty
