

MAXAIR[®]

CAPR[®] Series Respiratory Protection

CONTROLLED AIR PURIFYING RESPIRATORS PROVIDING UNPRECEDENTED SAFETY, COMFORT, CONVENIENCE, AND COST EFFECTIVENESS.

MAXAIR CAPRs meet today's needs and tomorrow's expectations.

The CAPR Series is MAXAIR's most innovative respiratory protection product line, for the broadest range of applications, plus the most economical respiratory and contact protection solutions. Use MAXAIR CAPR systems anywhere workers could be exposed to heat stress or contaminated air.

UniTech is the exclusive authorized nuclear industry distributor of NIOSH-approved MAXAIR CAPRs. Each system features a CAPR Helmet, a Li-Ion Battery, a Battery Belt, and a Battery Charger. The system is available with either a hard hat or hood configuration.

Free of hoses, battery packs and snorkels, MAXAIR CAPRs maximize comfort and visibility. The CAPRs feature a superior fit, friendly to eyeglasses and facial hair.

Now available in a new NIOSH-approved hard hat configuration!

You'll never want to use masks again.

- Increased productivity and freedom of movement
- Reduces heat stress and improves comfort
- No annual fit testing needed
